All Intermodal Shipping (cargo) containers shall be permitted before being moved into the city. Commercial (C-1 and C-2) zoning districts must obtain a moving permit and a special use permit. Special use permit may be obtained for a (6) six- month period and renewed every (6) months for a total of not more than (2) years. A Special Use permit will have an application fee of **\$250.00 per property** that shall be paid to the City at the time of initial application and for each renewal.
