** Asbestos Certification Survey is required on all Public Building(s).

No Asbestos Survey is required for Residential Properties containing 4 or less units.

** See attached Asbestos Certification

ASBESTOS CERTIFICATION Commercial/Remodeling Projects

As required by state law, prior to the release of a Building Permit, the Town of Pecos City must receive acceptable evidence that any asbestos has been mitigated or that there is a certified lack of asbestos within the affected renovated and/or demolished parts of the building.

Please provide the following certification prior to issuance of permit:

Project Name: _____

Project Address: _____

YES, a copy of an Asbestos Survey has been provided. The asbestos survey was prepared by a licensed asbestos surveyor and conducted in accordance with the Texas Asbestos Health Protection Rules (TAHPR) and the National Emissions Standards for Hazardous Air Pollutants (NESHAP) for the areas defined above being renovated and/or demolished.

YES, a copy of an Asbestos Clearance Letter has been provided stating that the asbestos was removed. The Asbestos Clearance Letter is the documentation provided by the Asbestos Remediation Company stating that the asbestos that was discovered by the Asbestos Survey had been removed.

Signature: _____ Date: _____

Name: _____ Email: _____

Company Name: _____ Phone #: _____

Company Address: _____

Please return the signed original with the required Certification to:
