Re: **VETERAN'S MEMORIAL PARK**

To whom it may concern:

This letter is submitted in full City support of the upcoming Veteran's Memorial Park to be constructed at the intersection of Kerr and Eastbrook. The City has committed matching funds dollar-for-dollar against private funds raised up to \$80,000 project cost. This long overdue project will be an invaluable asset to the Town of Pecos City and enjoys widespread community support by both veterans and civilians alike.

The Veterans Memorial Park Committee will be conducting various fund-raising efforts to make this project a reality. We are pleased to participate!
