

IMPORTANT INFORMATION ABOUT YOUR DRINKING WATER

Reporting requirements not met for City of Pecos / PWS ID 050001. We are required to report the Sample siting in accordance with federal, Revised Total coliform Rule (RTCR) implementation, the Texas Commission on Environmental Quality is requiring all public water systems to submit a Sample Siting plan.

Our system failed to notify the state drinking water program as required by 06/2017. Although public health was not impacted, as our customer, you have a right to know what happened and what we did to correct the situation.

What should I do?

There is nothing you need to do at this time, you do not need to boil your water or take others actions.

What is being done?

While we did not notify the state as quickly as we should send this violation notice all the customers.

For more information, please contact Gary Rumbaugh at 432-445-2421

“Please share this information with all the other people who drink water, especially those who may not have this notice directly (for example in apartments, nursing, homes, school and businesses). You can do this by posting this notice in a public place or distribution copies by hand or mail”
